Supporting and enabling parents of children with Special Educational Needs

E-FORUM USER AGREEMENT FORM

In a bid to provide accessible support for parents and carers of children with a variety of additional needs and disabilities we are able to offer a closed e-forum.

This means that parents and carers can get in touch with other parents and carers via email day or night. This service is new and of course the success will depend on parents and carers using this service.

It is important that this service is safe and used appropriately, and as such users will need to abide by the guidelines and sign this agreement.

I agree to:

- Use the password only for personal use, and not give out the password to anyone else
- Use the e-forum solely for the purpose it was meant
- To report any misuse of the e-forum to the Wirral SEN Parent Partnership

The following is not permitted:

- Send or display offensive messages or pictures
- Intentionally waste resources
- Violate copyright laws
- Use another's password
- Use any inappropriate language
- Employ the e-forum for commercial purposes

The Wirral SEN Parent Partnership reserves the right to deny or revoke membership to the e-forum to any person who does not abide to the rules
